

STATE OF MICHIGAN  
JOCELYN BENSON, SECRETARY OF STATE  
DEPARTMENT OF STATE  
LANSING

Dear driver education instructor,

Thank you for your dedication to preparing Michigan's newest drivers for a lifetime of safe and responsible driving.

My administration is honored to partner with Gift of Life Michigan to educate new drivers about the organ donor registry, and we appreciate you including it in your driver education curriculum. During the licensing process, our branch office staff invite all those applying to drive in Michigan to join the registry. Your assistance ensuring they understand the role of the registry and the far-reaching impact of organ donation is both crucial and beneficial.

To assist you, Gift of Life provides a video for your use. It includes real-life stories of lives saved through organ, tissue and cornea donation. I encourage you to show the video as the starting point for your organ donation discussion. Additional materials, including wallet cards and a brief script to accompany the video, are also available for your use. Should you have any questions or need additional materials, please contact Gift of Life Michigan at (866) 500-5801.

I am grateful for your work to prepare our newest drivers, make our roads safer, and support the life-saving organ donor registry

With best wishes,

A handwritten signature in blue ink that reads 'Jocelyn Benson'.

Jocelyn Benson  
Michigan Secretary of State
